Personal Data: Global Accounting Alliance (GAA) Passport is a scheme offered by all the GAA bodies for their members who work outside their home jurisdictions. For example, if a member of the ICAEW comes to work in HK, by virtue of his/her ICAEW membership, he/she can apply for a GAA Passport to enjoy the member services that we offer to our members. Likewise, if our members go to work in any other GAA jurisdictions, they can also apply for GAA Passport issued by the “hosting” country for similar services. It is a reciprocal arrangement among the member of the GAA.

All information provided in this form will only be used by the Institute or the applicant’s Home Institute or Destination Institute for the purpose of processing the GAA Passport application. The information will be sent to the Home Institute, whose membership is used in support of his/her application for membership verification purposes; or it will be sent to the Destination Institute for GAA Passport coordination and arrangement.

Although you are not obliged to provide the information sought by this form, failing to do so may result in an inability to process your application. Collected information will only be used for your application for GAA Passport. By completing the form you agree that the staff of the Institute or the applicant’s Home Institute may use the personal data provided on this form for the purpose specified above.

The detailed privacy policy of the institute is available at www.hkicpa.org.hk/en/Tools/Privacy-policy.

☐ I hereby agree to release the personal data contained in this form to my Home Institute or the Destination Institute for the purpose of processing my GAA Passport application.
