

# SMP Discussion Group gathering

## About the gathering

The Institute's Small and Medium Practitioners Committee (SMPC) organizes regular SMP Discussion Group ([DG](#)) gatherings to enhance its communication with fellow SMPs. One of the objectives of these gatherings is to gauge SMPs' views on how the Institute can better identify and serve their needs and address their concerns.

At the upcoming DG gathering, members can share their views and experience on the following topical issues which are relevant to SMPs:

- IES 8 *Professional Competence for Engagement Partners Responsible for Audits of Financial Statements (Revised)*
- Companies Ordinance application issues
- Technical resources and support provided by the Institute
- Potential opportunities in the Mainland China

Participants may also give feedbacks on other areas of concern during group discussion.
