

# Members' Forum for PAIBs

## About the forum

The Institute organizes members' forum to enhance communications with members. One of the objectives of these forums is to gauge members' views on how the Institute can better meet their needs.

At this forum dedicated for PAIBs, participants will learn more about the Institute's missions and visions under its [Sixth Long Range Plan](#) which are of particular relevant to PAIBs, and the future direction and strategy of the [PAIB Leadership Panel](#).

Participants will be apprised of the latest developments, e.g., [Environmental, Social and Governance Reporting](#) and [Risk Management and Internal Control](#), and proposed changes to the Ethics Code that will have an impact on PAIBs. They will also have the opportunities to directly give their views on the services currently or expected to be provided by the Institute, including the following:-
