INVITATION TO COMMENT ON EXPOSURE DRAFT PRACTICE NOTE

ED Revised Practice Note 850 *Reporting on Flag Days and General Charitable Fund-raising Activities Covered by Public Subscription Permits issued by the Social Welfare Department*

Comments to be received by 20 January 2014

The Hong Kong Institute of Certified Public Accountants' (Institute) Auditing and Assurance Standards Committee is seeking comments on the ED which has been posted on the Institute's website at:

http://www.hkicpa.org.hk/file/media/section6_standards/standards/Audit-n-assurance/ed-2013/ed_pn850.pdf

The AASC has embarked on a project to align the extant Practice Notes (PN) with recent updates to the auditing and assurance pronouncements. As part of the project, the proposed revised PN 850 has been updated to align with pronouncements such as the clarified Hong Kong Standards on Auditing (HKSAAs), Hong Kong Standard on Assurance Engagements (HKSAE) 3000 and the current drafting conventions.

In addition, guidance in the extant *Circular on Reporting on General Charitable Fund-raising Activities Covered by Public Subscription Permits issued by the Social Welfare Department (Other than Flag Days)* has been elevated into the proposed ED. The proposed revised PN 850 provides guidance for reporting on both flag days and general charitable fund raising activities. HKSAE 3000 is the reporting framework used for these engagements.

Comments on the proposed changes should be supported by specific reasoning and should be submitted in written form. To allow your comments on the ED to be considered, comments are requested by the due date shown above.

Comments may be sent by mail, fax or e-mail to:

**PRACTICE NOTE
850**

**REPORTING ON FLAG DAYS AND GENERAL CHARITABLE FUND-RAISING
ACTIVITIES COVERED BY PUBLIC SUBSCRIPTION PERMITS ISSUED BY THE
SOCIAL WELFARE DEPARTMENT**

The purpose of Practice Notes issued by the Hong Kong Institute of Certified Public Accountants (HKICPA) is to assist the practitioner in applying Hong Kong Engagement Standards of general application to particular circumstances and industries.

Practice Notes are persuasive rather than prescriptive. However they are indicative of good practice and have similar status to the explanatory material in Hong Kong Engagement Standards. This Practice Note provides guidance to assist the practitioner to fulfill the objectives of the engagement. The practitioner should be prepared to explain departures when called upon to do so.

Introduction

1. In Hong Kong, the most common fund-raising activities include flag day, collection boxes placed in stationed counters, charity sales of commodities, charity walks, balls, concerts, variety show and film premiere, etc.
2. The Social Welfare Department ("SWD") of the Government of the Hong Kong Special Administrative Region issues a Public Subscription Permit ("the Permit") under Section 4(17)(i) of the Summary Offences Ordinances for (a) holding flag days and (b) general charitable fund-raising activities in public places.
3. In accordance with the conditions of the Permit issued by the SWD, an organisation that is allowed to organise a collection of donations on a flag day or general charitable fund-raising activities in public places ("the permittee") is required to prepare a statement of all monies received from the public subscription and every disbursement made from the monies so collected or received ("income and expenditure account").
4. Under the Permit conditions, such income and expenditure account of each flag day/general charitable fund-raising activity is required to be reported on by a practitioner. Although the Permit conditions refer to a review or an audit of the income and expenditure account, the guidance contained in this Practice Note contemplates the issuance of a limited assurance report on donations and expenses that have been recorded in the permittee's books and records in accordance with Hong Kong Standard on Assurance Engagements 3000 *Assurance Engagements Other Than Audits or Reviews of Historical Financial Information* ("HKSAE 3000"). The SWD has agreed that such an approach is acceptable to the SWD for the purpose of satisfying the Permit Conditions. The objective of carrying out such a limited assurance engagement is to enable a practitioner to state whether, on the basis of procedures which do not provide all the evidence that would be required in an audit, anything has come to the practitioner's attention that causes the practitioner to believe that the income and expenditure account does not reflect, in all material respects, the gross subscriptions raised and the expenses incurred by the permittee that have been recorded in the permittee's books and records.
5. Under the Permit conditions, an income and expenditure account that is reported on by a practitioner is to be forwarded by the permittee to the Director of Social Welfare within 90 days after the flag day or the last day of the activities as specified in the Permit. The permittee is also required to publish the income and expenditure account together with the limited assurance report issued by the practitioner as specified in the Permit within 90 days after the flag day or the last day of the activities. Full details of the conditions of the Permit can be obtained from the website of the SWD: http://www.swd.gov.hk/en/index/site_pubsvc/page_controlofc/sub_publicsubs/.

Scope and approach

6. The purpose of this Practice Note is to provide guidance on the reporting requirements in connection with flag days and general charitable fund-raising activities so as to achieve a

greater degree of uniformity and to assist practitioners when undertaking such engagements. This Practice Note has been prepared after consultation with the SWD.

7. This Practice Note sets out the special considerations relating to the reporting on flag days and general charitable fund-raising activities as required by the SWD. It is not intended to provide step-by-step guidance.

Special features of flag days and general charitable fund-raising activities

8. General charitable fund-raising activities covered by a Permit cover activities conducted in public places such as
 - Charity sale or exchange of badges, tokens or similar articles;
 - Door to door collection of donations, for example in public housing estates;
 - Stationing donation boxes at fixed locations;
 - Charity rides; and
 - Passing of offering bags/boxes.
9. A common feature of flag days and general charitable fund-raising activities is the receipt of voluntary income by way of cash donations. Unlike the income of commercial entities, such voluntary income will not be supported by invoice or equivalent documentation. Other alternative evidence relating to completeness and accuracy of income and also related expenses may not be available or practicable to obtain. Accordingly, obtaining evidence as to the completeness and accuracy of recorded donations and related expenses may therefore be difficult or not feasible.
10. The level of income from donations received on a flag day or a general charitable fund-raising activity cannot be predicted with any great accuracy as people's pattern of giving may change. It is also difficult to establish a relationship between donations and other figures in an income and expenditure account as expenditure levels may not have any direct relationship to such income.
11. Another feature is the use of volunteers in collecting cash donations. A volunteer is normally less accountable than an employee of an organisation.

Management's responsibilities

12. The management of a permittee¹ needs to make arrangements to implement appropriate controls to help ensure as far as reasonably practicable that all income from a flag day/ general charitable fund-raising activity to which the permittee is entitled and all related expenses are properly accounted for. It is also important for permittees to have controls not only over collecting monies, but also over the recruitment of collectors as well as controls over deposit of monies collected, control over expenditure and preparation of accounts relating to such flag days/ general charitable fund-raising activities.
13. The management is responsible for the preparation of the income and expenditure account for each flag day/ general charitable fund-raising activity as required by the conditions in the Permit. They are also responsible for the maintenance of proper books and records to ensure that all income and expenses are properly accounted for and recorded in the books and records of the permittee.
14. In general, the income and expenditure account would be prepared on an accruals basis, in order to reflect the income and expenses of the flag day/ general charitable fund-raising activity meaningfully. However, in some situations the management may choose to adopt a cash basis to prepare the income and expenditure account. In either case, the basis of

¹ In the interest of simplicity, the terms "management" and "permittee" are used throughout this Practice Note. However, depending on the entity's structure, reference to "management" may be construed as reference to a charity's trustees, board of directors, council members, committee members or equivalent who take charge of the charity's management. Furthermore, the entity organising the general charitable fund-raising activity may not necessarily be a charity, therefore the term "permittee" is used.

preparation should be clearly explained in the notes to the income and expenditure account and the management is responsible for ensuring that the basis of preparation is appropriate.

15. The management is responsible for ensuring that the practitioner has access, at all reasonable times, to all records, documents, books, and accounts and to such information and explanations that, in the practitioner's opinion, are necessary to conduct the engagement.

Practitioner's responsibilities

16. The practitioner is responsible for reporting on the income and expenditure account prepared by the management of the permittee for each flag day/ general charitable fund-raising activity when he is engaged to do so.
17. The practitioner should obtain an understanding of the internal controls of the permittee in organising a flag day/ general charitable fund-raising activity in order to plan the engagement. The practitioner should plan and perform the engagement with an attitude of professional skepticism. A list of recommended procedures for reporting on flag days/ general charitable fund-raising activities is set out in Appendix I.
18. The practitioner may be unable to obtain sufficient appropriate evidence that all donations received and expenses incurred in respect of a flag day/ general charitable fund-raising activity were indeed recorded by the permittee due to the special features of such activities that have been noted above.
19. The practitioner's report would include a paragraph explaining these difficulties, the restricted scope of the practitioner's work, and that the practitioner would not be able to determine whether the income and expenditure account and the books and records of the permittee include all transactions relating to the flag day/ general charitable fund-raising activity. Instead, the practitioner's work covers those items of income and expenditure that have been recorded in the permittee's books and records.
20. Notwithstanding the inherent limitations typically encountered by practitioners in respect of obtaining evidence as to the completeness of donations received from a flag day/ general charitable fund-raising activity, a practitioner should nevertheless be alert for specific circumstances arousing suspicion that there has been deliberate omission of items from the income and expenditure account or circumstances suggesting misappropriation of donations. Where such circumstances arise, the practitioner should consider the impact on his report and the need to raise those matters with the permittee's management and/or those charged with governance.
21. The practitioner should comply with the requirements of the Institute's Code of Ethics for Professional Accountants. A professional accountant is required to comply with the following fundamental principles:
 - a. Integrity;
 - b. Objectivity;
 - c. Professional competence and due care;
 - d. Confidentiality; and
 - e. Professional behaviour.
22. When conducting an engagement following the guidance in this Practice Note, the practitioner conducts a limited assurance engagement in accordance with HKSAE 3000. Practitioners are to note that paragraph 3 of HKSAE 3000 indicates that although Hong Kong Standards on Review Engagements do not apply to limited assurance engagements covered by Hong Kong Standards on Assurance Engagements, they may nevertheless provide guidance to practitioners. Practitioners are therefore encouraged to refer to relevant HKSREs (for example HKSRE 2400 *Engagements to Review Financial Statements*² or

² HKSRE 2400 was revised in December 2012 as HKSRE 2400 (Revised) "Engagements to Review Historical Financial

HKSRE 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*) where appropriate.

23. The practitioner should plan and perform the engagement with an attitude of professional skepticism recognizing that circumstances may exist which cause the income and expenditure account to be materially misstated (for example due to fraud or error).
24. For the purpose of expressing a limited assurance conclusion in the assurance report, the practitioner should obtain sufficient appropriate evidence to be able to draw a conclusion.

Engagement letters

25. The practitioner should agree the terms of the engagement with the permittee. To avoid misunderstandings, the agreed terms should be recorded in an engagement letter or other suitable form of contract. General guidance on engagement letters is set out in HKSA 210 "Agreeing the Terms of Audit Engagements".

Addressee of engagement letter

26. It may not always be obvious to whom the engagement letter should be addressed. The practitioner will need to review the governing document of the permittee to ascertain who is the appointing authority, as the engagement letter should be addressed to that authority. If the appointing authority is not engaged in the day-to-day running of the permittee or the management of the flag day/ general charitable fund-raising activity, the practitioner may wish to send an additional copy of the engagement letter to the chief executive or the persons responsible for its day-to-day management or the management of the flag day/ general charitable fund-raising activity, if applicable.

Example of engagement letter

27. Appendix II gives a specimen engagement letter for the reporting of a flag day/ general charitable fund-raising activity.

Control procedures on the completeness of donations receipts and expenses

28. Notwithstanding that limitations may exist in respect of evidence as to the completeness of the donations received and related expenses incurred in respect of a flag day/ general charitable fund-raising activity, the following sets out some common control procedures on the completeness of income and expenses which may be applicable to flag days/ general charitable fund-raising activities. Certain particular difficulties for management of the permittee in establishing control procedures can stem from the use of volunteers (often on a part-time basis) who are not formally accountable to them, unlike employees, and the use of the collecting boxes and tins. Nevertheless, it is important for permittees raising income through collections undertaken by volunteers to ensure that collectors are adequately supervised and controlled and the donations collected are complete and recorded. The procedures below are not intended to be comprehensive: there may be other control procedures which are of general application (such as segregation of duties) which are not included in the examples given below. The nature and extent of the procedures will clearly depend on the size of the permittee and the nature of the general charitable fund-raising activity.
 - a. Recruitment and use of volunteers / collectors
 - i. Separate records of personal details (e.g. name and identity card number) should be kept for each collector.
 - ii. The conditions set out in the Permit (e.g. no children under 14 years of age are to be permitted to sell flags) should be adhered to.
 - iii. Collectors should be briefed on the policies and procedures for collections.

Statements", which will be effective for reviews of financial statements for periods ending on or after 31 December 2013.

- iv. Collectors should be properly supervised.
- v. In addition, for those permittees that use cash collectors from outside their own organisations, additional controls would need to be considered to ensure that
 - the recruitment is properly approved by management, and
 - the recruited individual is a fit and proper person to conduct such collection.
- b. Collecting boxes and tins
 - i. Name of the permittee should be printed prominently on collecting boxes and tins.
 - ii. Sufficient publicity coverage should be arranged for the flag day/ general charitable fund-raising activity so that the general public is aware of the activity and who the organiser is.
 - iii. The permittee should implement a numerical control over boxes and tins.
 - iv. There should be satisfactory sealing of boxes and tins so that any opening prior to recording cash is apparent.
 - v. Collectors (each has his own box or tin) should work in teams of more than one person. Identity of collectors should be checked and recorded before assigning boxes and tins to them (e.g. by checking their identity cards).
 - vi. Collectors should be required to sign to acknowledge both the initial receipt of the collecting box or tin and the return of the box or tin after the activity.
 - vii. Boxes and tins should be opened in the presence of at least two persons approved by the management to be fit and proper. The counting and recording of receipts should be carried out by one staff of the permittee and checked by a senior officer. The certificate of cash counts should be signed by the counter upon completion of counting and counter-signed by the other senior officer as evidence of checking. Where the opening of boxes and tins, and/or counting and recording of receipts are delegated to a third party, the management should ensure that the third party will have adequate controls in place to ensure that the functions will be carried out satisfactorily.

General control procedures

29. It is important that the management of a permittee establishes appropriate internal controls in relation to preparation of the income and expenditure account for each flag day/ general charitable fund-raising activity as required by the conditions in the Permit. Some examples of appropriate internal controls include the following:
- a. A separate income and expenditure account is maintained for each flag day/ general charitable fund-raising activity;
 - b. All donations and expenses should be recorded in the books and records as soon as practicable;
 - c. All donation receipts and related expense payments should be supported by documentation (e.g. records of collection summary, original invoices, debit notes etc) and properly filed:
 - Records of cash and cheques received agree with bank pay-in slips and bank statements;
 - All expenses are appropriately authorised before payments are made; and
 - d. Regular bank reconciliations should be carried out.

The types of controls will vary from situation to situation and the foregoing is solely for illustrative purposes.

Management representations

30. General guidance on management representations is set out in HKSA 580 "Written Representations".

31. The practitioner should obtain written representations (for example, by way of a representation letter) from the permittee's management in respect of management representations that the practitioner considers are of significance in forming his conclusion. For example, the practitioner should consider obtaining written confirmation that adequate controls to ensure completeness of cash donations were implemented on the day of (or period of) the flag day/ general charitable fund-raising activity as it would generally be impracticable for the practitioner to observe the operations of all controls given that the collections frequently take place at various different locations and involve a large number of teams of collectors.
32. The management of a permittee as a whole is responsible for the contents and presentation of the income and expenditure account. Consequently, approval of the content of any written representation by the management is necessary. Where the appointing authority is not involved in the day-to-day running of the permittee or the management of the flag day/ general charitable fund-raising activity, representations would be given by the persons responsible for the running of the permittee or the management of the flag day/ general charitable fund-raising activity, if applicable. In such circumstances, the practitioner may wish to obtain evidence that such representations have been considered and approved by the appointing authority.

Reporting

Addressee of limited assurance report

33. The limited assurance report by the practitioner on the income and expenditure account would be addressed to the same appointing authority as the engagement letter.

Example of limited assurance report

34. Examples of the limited assurance report on the income and expenditure account in English and Chinese are set out in Appendix III and Appendix IV respectively.

Qualified conclusions, adverse conclusions and disclaimers of conclusion

35. The example reports set out in Appendix III and Appendix IV to this Practice Note are unqualified. However circumstances may arise where the practitioner believes that an unqualified conclusion is not appropriate. Accordingly, this Practice Note does not preclude the practitioner from modifying the report including issuing a qualified, adverse, or disclaimer of conclusion. When issues arise during the course of an engagement, the practitioner should consider their impact on the report.

Other reporting responsibilities

36. The practitioner should consider other reporting responsibilities, including the appropriateness of communicating relevant matters of governance interest arising from the engagement with those charged with governance and to consider their impact on the engagement. Although the practitioner is not required, when carrying out an engagement pursuant to this Practice Note, to design procedures for the specific purpose of identifying matters of governance interest, during the course of the engagement the practitioner may note weaknesses/breakdown in internal controls which he considers to be material including, for example, fraud or material errors. These instances should generally be brought to the attention of the management and/or those charged with governance of the permittee. The practitioner should also consider their impact on the engagement. Where appropriate, the practitioner may provide recommendations for improvement, where applicable.
37. As mentioned in paragraph 5 above, the permittee is required to publish the income and expenditure account together with the limited assurance report issued by the practitioner as specified in the Permit. The practitioner should make appropriate arrangements with the permittee to review the draft publication to ensure there are no inconsistencies with the original documents. These arrangements should be documented in the engagement letter.

Appendix I

Recommended procedures for reporting on flag days/ general charitable fund-raising activities covered by public subscription permits issued by Social Welfare Department

The nature and extent of procedures to be carried out for the purposes of reporting on flag days/ general charitable fund-raising activities covered by public subscription permits issued by Social Welfare Department ("SWD") are determined by the practitioner's professional judgement in each individual case. The list given in this appendix is not exhaustive, nor is it intended that all the procedures suggested apply to every reporting engagement.

When conducting these suggested or other procedures pursuant to reporting on flag days/ general charitable fund-raising activities covered by public subscription permits issued by SWD, it is recommended that the practitioner is guided by HKSAE 3000 "Assurance Engagements Other Than Audits or Reviews of Historical Financial Information". In accordance with HKSAE 3000, the practitioner determines the nature, timing and extent of procedures to be carried out and carry out those procedures so as to ensure sufficient appropriate evidence is obtained on which to base the conclusions, and document matters which are important to providing evidence to support that conclusion.

1. Cash donations

Objective	Recommended procedure
i) To establish the completeness of cash donations.	a) Review the policies and control procedures set up by the permittee over the recruitment and use of volunteers/ collectors and, where appropriate, over the collecting boxes and tins to assess whether these policies and procedures would be adequate to ensure the completeness of cash donations, if they were adhered to in practice.
	b) Perform tests on controls implemented by the permittee, in particular, the practitioner considers whether those suggested control procedures over the recruitment and use of volunteers/ collectors and over the collecting boxes and tins as stated in this Practice Note have been properly implemented by the permittee.
	c) Observe the cash counting procedures and controls, in particular, perform tests of controls: <ul style="list-style-type: none"> - to establish whether all collecting boxes and tins have been returned, and - to establish whether all cash received was properly recorded.
ii) To establish the existence of cash donations.	a) Check evidence of cash counts and double checking (e.g. the certificate of cash counts duly signed by the counters and counter signed by another senior officer of the permittee).

REPORTING ON FLAG DAYS AND GENERAL CHARITABLE FUND-RAISING ACTIVITIES COVERED BY PUBLIC SUBSCRIPTION PERMITS ISSUED BY THE SOCIAL WELFARE DEPARTMENT

	b) Check that cash receipts are deposited in the permittee's own bank accounts within a reasonable time and included in the bank statements.
	c) Test check receipts from the bank statements to the cash book and to the copies of the bank paying in slips.

2. Disbursements

Objective	Recommended procedure
i) To establish the completeness of disbursements and the existence of disbursements.	a) Test check payments from the bank statements to the cash book.
	b) Test check payments to supporting documentation.
	c) Perform a search for unrecorded liabilities by reviewing the payments made subsequent to the flag day or a general charitable fund-raising activity and the unpaid purchase invoices.
	d) Test check the analysis of payments in the cash book.

3. Disclosure

Objective	Recommended procedure
i) To establish whether the disclosure in the flag day or a general charitable fund-raising activity accounts agree with the underlying records.	a) Agree balances as stated in flag day or a general charitable fund-raising activity accounts to the underlying records.
	b) Check the classification and disclosure of items in flag day or a general charitable fund-raising activity accounts.

Appendix II

Example engagement letter for reporting on flag days/ general charitable fund-raising activities covered by public subscription permits issued by Social Welfare Department

The following engagement letter is to be used as a guide and will need to be adapted according to individual requirements and circumstances.

To the [Management][Trustees][Directors][Council][Committee Members]³ of [Name of permittee] ("the Permittee")

Objective of services

- 1.1 You have requested that we report on the income and expenditure account of the Permittee's [flag day fund-raising][general charitable fund-raising] activity held [on [date of event]][during the period from [date] to [date]] ("the Event"). We are pleased to confirm our acceptance and our understanding of this engagement by means of this letter. Our work will be conducted with the objective of our expressing a conclusion on the income and expenditure account.

Responsibilities of the [Management][Trustees][Directors][Council][Committee Members]³

- 2.1 In applying for the Public Subscription Permit ("Permit") issued by the Social Welfare Department of the Government of the Hong Kong Special Administrative Region ("SWD") for collecting donations in a public place, you are responsible, as the permit holder, for closely monitoring the Event and accounting for the monies collected which the public have contributed and complying with conditions stated in the Permit. You are obliged to prepare the income and expenditure account showing all monies received from the public subscription and the disbursements made from the monies so collected or received.
- 2.2 As [management][trustees][directors][council][committee members]³ of the Permittee, you are responsible to implement appropriate controls to ensure as far as reasonably practicable that all income from the Event to which the Permittee is entitled and all related expenses are properly accounted for. It is also important for the Permittee to have controls not only over collecting monies, but also over the recruitment of collectors as well as controls over deposit of monies collected, control over expenditure and preparation of accounts relating to the Event.
- 2.3 You are responsible for ensuring that the Permittee maintains proper books and records such that all income and expenses are properly accounted for and recorded.
- 2.4 You are also responsible for making available to us, all records, documents, books, and accounts and to such information and explanations that, in our opinion, are necessary to conduct the engagement.

Responsibilities of the practitioner

- 3.1 Our responsibility is to report to you for your onward submission to the Director of Social Welfare stating whether or not, anything has come to our attention that causes us to believe that the income and expenditure account does not reflect, in all material respects, the gross subscriptions raised and the expenses incurred by the Permittee in respect of the Event that have been recorded in its books and records made available to us in accordance with the basis of preparation.

³ The addressee of the engagement letter should be consistent with that of the report in Appendix III.

Scope and limitations of our work

- 4.1 Our work will be carried out in accordance with Hong Kong Standard on Assurance Engagements 3000 "Assurance Engagements Other Than Audits or Reviews of Historical Financial Information" and with reference to Practice Note 850 "Reporting on Flag days and General Charitable Fund-raising Activities Covered by Public Subscription Permits issued by the Social Welfare Department" issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"). Our work will consist of limited procedures for obtaining sufficient appropriate evidence to be able to draw a conclusion, such as inquiries primarily of persons responsible for financial and accounting matters[, analytical procedures applied to financial data] and other procedures we considered necessary [*further describe as necessary*].
- 4.2 Our work undertaken is less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4.3 Furthermore, due to the nature of cash receipts and expenses relating to the Event, it was not practicable for us to determine whether the income and expenditure account and the books and records of the Permittee include all transactions relating to the Event. It was impracticable for us to quantify the potential impact of this on the income and expenditure account. Accordingly, our report relates solely to the income and expenditure account prepared from transactions that have been recorded in the Permittee's books and records.
- 4.4 As part of our procedures, we will request you to provide written confirmation concerning representations which we have received from you during the course of the engagement on matters having a material effect.

Reporting and distribution

- 5.1 This report is intended solely for the purpose of assisting the Permittee to satisfy the conditions stated in the Public Subscription Permit issued by SWD in connection with the Event and is not intended to be, and should not be, used for any other purpose.
- 5.2 We will agree that a copy of the report once issued may be provided to the Director of Social Welfare without further comment from us.
- 5.3 [*Insert arrangements for the review of draft publication as mentioned in paragraph 37 of the Practice Note.*]

Fees

6. [In view of the charitable nature of the organisation, the work is carried out on an honorary basis.] OR [Our fees are computed on the basis of the time spent on your affairs by the partners and our staff and on the levels of skill and responsibility involved plus out-of-pocket expenses. Fees will be due and payable on presentation.]

Agreement of terms

7. Once it has been agreed, this letter will remain effective, from one appointment to another, until it is replaced. Please sign and return the enclosed copy of this letter to indicate your acknowledgement of, and agreement with, the arrangements for our report on the income and expenditure account including our respective responsibilities.

Yours faithfully

ABC & Co.

INDEPENDENT ASSURANCE REPORT TO THE [MANAGEMENT][TRUSTEES][DIRECTORS][COUNCIL][COMMITTEE MEMBERS] OF [NAME OF PERMITTEE] ("the Permittee")

Public Subscription Permit No: [FD/XXX/201X][201X/XXX/X]

Pursuant to the conditions stated in the Public Subscription Permit issued by the Social Welfare Department of the Government of the Hong Kong Special Administrative Region ("SWD"), we have been requested to report on the attached income and expenditure account of the Permittee's [territory-wide flag day fund-raising activity][regional flag day fund-raising activity in [Hong Kong Island][Kowloon][New Territories] region][general charitable fund-raising activity] held [on [date of event]][during the period from [date] to [date]] ("the Event").

Respective responsibilities of the [Management][Trustees][Directors][Council] [Committee Members] and practitioner

The [Management][Trustees][Directors][Council][Committee Members] [is][are] responsible for preparing the attached income and expenditure account in accordance with the basis of preparation set out in note [], setting out the gross subscriptions raised from the Event and the expenses incurred in connection with the Event, in order to comply with the conditions stated in the Public Subscription Permit issued by the SWD. This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and presentation of the income and expenditure account so that it reflects the subscriptions raised and expenses incurred in connection with the Event and is free from material misstatement.

It is our responsibility to form a conclusion on the attached income and expenditure account, based on our engagement, and to report our conclusion to you.⁴

Basis of conclusion

We conducted our engagement in accordance with Hong Kong Standard on Assurance Engagements 3000 "Assurance Engagements Other Than Audits or Reviews of Historical Financial Information" and with reference to Practice Note 850 "Reporting on Flag days and General Charitable Fund-raising Activities Covered by Public Subscription Permits issued by the Social Welfare Department" issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

The work undertaken in connection with this engagement is less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Furthermore, due to the nature of cash receipts and expenses relating to the Event, it was not practicable for us to determine whether the income and expenditure account and the books and records of the Permittee include all transactions relating to the Event. It was impracticable for us to quantify the potential impact of this on the income and expenditure account. Accordingly, our report relates solely to the income and expenditure account prepared from transactions that have been recorded in the Permittee's books and records.

⁴ Practitioners may consider it appropriate to clarify to whom they are responsible here or elsewhere in the report in accordance with their risk management policies and with reference to Professional Risk Management Bulletin No. 2 "Auditors' Duty of Care To Third Parties and The Audit Report."

Our engagement included carrying out limited procedures for obtaining sufficient appropriate evidence to be able to draw a conclusion, such as inquiries primarily of persons responsible for financial and accounting matters[, analytical procedures applied to financial data] and other procedures we considered necessary [*further describe as necessary*].

Conclusion

Based on the foregoing, we report that nothing has come to our attention that causes us to believe that the attached income and expenditure account does not reflect, in all material respects, the gross subscriptions raised and the expenses incurred by the Permittee in respect of the Event that have been recorded in its books and records made available to us in accordance with the basis of preparation set out in note [].

Use of report

This report is intended solely for the purpose of assisting the Permittee to satisfy the conditions stated in the Public Subscription Permit issued by SWD in connection with the Event and is not intended to be, and should not be, used for any other purpose. We agree that a copy of this report may be provided to the Director of Social Welfare without further comment from us.

獲發社會福利署公開籌款許可證的賣旗日/一般慈善籌款活動收支結算表的 無保留意見鑒證報告樣本

致[獲發許可證的機構名稱]（「獲發許可證的機構」）[管理層][受託人][董事][理事會][委員會成員]的
獨立鑒證報告

公開籌款許可證編號：[FD/XXX/201X][201X/XXX/X]

根據香港特別行政區政府社會福利署（「社會福利署」）發出的公開籌款許可證所列條件，我們應要求對隨附本報告書關於獲發許可證的機構於[[日期]][[日期]至[[日期]]舉行的[全港賣旗日籌款活動][[港島][九龍][新界]分區賣旗日籌款活動][一般慈善籌款活動]（「有關活動」）的收支結算表作出報告。

[管理層][受託人][董事][理事會][委員會成員]及執業會計師各自的責任

根據社會福利署發出的公開籌款許可證所列條件，[管理層][受託人][董事][理事會][委員會成員]須負責按照附註●所載的編製基準編製隨附的收支結算表，列出有關活動所籌集的總捐款及實際開支。這責任包括設計、實施及維護與編製及列報收支結算表的內部監控，使收支結算表反映有關活動所籌集的捐款及實際開支不存在任何重大錯誤陳述。

我們的責任是根據我們鑒證工作的結果對隨附的收支結算表作出結論，並向[管理層][受託人][董事][理事會][委員會成員]報告⁶。

結論的基礎

我們已根據香港會計師公會（「公會」）頒佈的鑒證業務準則第3000號「非審核或審閱過往財務資料之鑒證工作」及參考公會所頒佈實務說明第850號「有關獲發社會福利署公開籌款許可證的賣旗日和一般慈善籌款活動之報告」（"Reporting on Flag days and General Charitable Fund-raising Activities Covered by Public Subscription Permits issued by the Social Welfare Department"）進行工作。

由於我們按照應聘條款進行工作的範圍較按照香港審計準則進行審核的範圍為小，所以不能保證我們會注意到在審核中可能會被發現的所有重大事項。因此，我們不會發表任何審核意見。

此外，基於有關活動以現金收支，我們難以確定獲發許可證的機構的收支結算表及帳冊與帳目紀錄是否已包括所有有關活動的交易，亦難以量化其對收支結算表的潛在影響。因此，我們僅與按照獲發許可證的機構帳冊及帳目紀錄所載交易編製的收支結算表作出報告。

我們的工作包括採取有限程序獲取充份和適當的憑證以作出結論，例如主要向負責財務會計事項的人員詢問[，對財務數據實施分析程序]及其他我們認為必要的程序[如必要則加以說明]。

結論

根據以上所述，我們並沒有注意到任何事項，使我們相信隨附的收支結算表在所有重大方面沒有反映我們所獲取按照附註●所載的編製基準而編製的帳冊及帳目紀錄所載有關活動籌集的總捐款及實際開支。

⁶ 執業會員可酌情根據其風險管理政策及基於[專業風險管理公告第二期(Professional Risk Management Bulletin No.2)]之「核數師對第三方及於審核報告的審慎查核責任」(Auditors' Duty of Care to Third Parties and the Audit Report)於報告此部份或其他部份澄清其工作責任相對人。

報告用途

本報告僅為協助獲發許可證的機構遵守社會福利署就有關活動所發出公開籌款許可證所列的條件而編撰，不擬亦不得用作其他用途。我們同意獲發許可證的機構可向社會福利署署長提供本報告，而毋須再徵詢我們意見。
