Dear Sir,

IAASB Exposure Draft of proposed ISA 706 (Revised and Redrafted) *Emphasis of Matter Paragraphs and Other Matter(s) Paragraphs in the Independent Auditor's Report*

The Hong Kong Institute of Certified Public Accountants is the only statutory licensing body of accountants in Hong Kong responsible for the professional training, development and regulation of the accountancy profession. The HKICPA sets auditing and assurance standards, ethical standards and financial reporting standards in Hong Kong. We welcome the opportunity to provide you with our comments on the captioned IAASB Exposure Draft.

Before we comment on the subject IAASB Exposure Draft, we would like to take this opportunity to reiterate a point made by us in our submission dated 28 March 2006 on the IAASB Exposure Draft on Improving the Clarity of IAASB Standards. We are of the view that the IAASB should approach the development of the objectives of each ISA together rather than on a piecemeal ISA-by-ISA basis as it works through the clarity project. Accordingly, we strongly recommend that the IAASB commences to look at the objectives in all ISAs and link them to the objective in the proposed ISA 200.

Notwithstanding our above comment, we support the proposed revised and redrafted ISA and consider that generally the objective to be achieved by the auditor, as stated in the proposed revised and redrafted ISA, is appropriate. Furthermore, the criteria identified by the IAASB for determining a requirement has been applied appropriately and consistently such that the resulting requirements will promote consistency and the use of professional judgement by auditors. We also support the proposed requirement to include an Emphasis of Matter paragraph.

We trust that our comments are of assistance to you. If you require any clarifications on our comments, please do not hesitate to contact me or Steve Ong, Deputy Director, Standard Setting (ong@hkcipa.org.hk).

Yours faithfully,

Patricia McBride
Executive Director
