

Workshop on issues in Auditing PRC companies

Although the current accounting standards issued by the Ministry of Finance of the People's Republic of China ("PRC") are substantially converged with the Hong Kong/International Financial Reporting Standards, due to the unique business environment and practices in the Mainland China, auditors may encounter issues in the audit of PRC companies. In this workshop, the speakers will discuss and share their experience in handling some common audit issues in the audit of PRC companies with the participants. Topics include:

- Revenue recognition
- Third party confirmations
- Existence, ownership and valuation of assets
- Related party transactions
- Contractual arrangements
