Dear Sir/Madam,

**Invitation to Comment on the ISSB Request for Information
Consultation on Agenda Priorities**

Thank you for your email of 5 May 2023 inviting our comments on the ISSB Request for Information.

The International Sustainability Standards Board (ISSB) is seeking feedback on its priorities for its next two-year work plan. The ISSB has identified four potential projects including three sustainability-related research projects and a project researching integration in reporting. The Request for Information invites views from stakeholders on the strategic direction and balance of the ISSB's activities, the criteria for assessing which sustainability-related matters to priorities and the scope and structure of potential new research and standard-setting project. We support ISSB's strategy in planning its work. Insofar as tax administration is concerned, we have no comments on the the Request for Information.

We are grateful for the opportunity to provide our comments on the Request for Information.

Yours faithfully,

(Ms CHAN Ut-chan)

for Commissioner of Inland Revenue
